

Cemetery Services

The Hallandale Beach Cemetery entrance is located on Northwest 6th Avenue between 7th & 9th Streets. Visitation hours are from sunrise to sunset. The City has pre-installed niches for cremation remains in either single or double companion size. The niche structure has been constructed with durable and attractive granite covers on which a bronze marker will be placed.

CEMETERY FEES INCLUDE:

- Burial Space
- In-Ground Vault
- Costs for Opening and Closing a Grave
- Perpetual Care of the Cemetery Grounds
- Grave Markers

Also included in the fee paid is the cost of a grave marker. Purchase of City-provided marker is optional. Other markers approved by the City and purchased from any monument company may be substituted at the family's expense.

For information regarding the purchase of pre-need burial spaces, please call 954-457-1600

Saturday Charge	404.80	404.80	-	-
TOTALS:	2254.52	2027.52	1849.72	1622.72

BURIAL SERVICES

Cemetery service is provided through the Finance Department. Full cemetery services are offered for both residents and non-residents of Hallandale Beach, Monday through Saturday, for burial in pre-installed below-ground single or double vaults and in niches for cremation remains.

Areas have been set aside for burial of infants and small children. A reduced fee schedule has been created for infants under one year of age, which provides limited setup services. Pre-need sales agreements are available to purchase burial space, in-ground vault and perpetual care. Payments may be arranged on a monthly basis over a period of several years thereby lessening the financial impact at the time of need.

Arrangements for interment must be requested at least 48 hours prior to the burial. Payment for all service is due 24 hours before burial time in the form of cash, money order, or a check provided by a local funeral home.

CEMETERY MAPS AND DATABASES

The City of Hallandale Beach has loaded all of its cemetery records to an online system that allows customers to view gravesite information. While great care was taken in preparing and loading the information, the City assumes no responsibility for any errors in this presentation. Please follow this link: www.cohb.org/MAPANDDATABASE
