The 50 Diesel Gallons Equivalent of Compressed Natural Gas purchased at a maximum of \$2.00 per DGE equals \$100.00 weekly or \$5200.00 annually. (Previously \$3.50 a gallon for diesel/ \$175.00 a week x 52 weeks, or \$9100.00 annually) Vehicle maintenance and depreciation is estimated at \$35,000.00 annually. Salary and benefits are estimated at \$93,000.00 for average heavy equipment operator and \$65,000.00 for average refuse collector for a total operator cost per truck estimated \$158,000 annually. Total estimated cost for each truck annually is \$198,200.00

$\$198,200.00 / 2080 = \95.29 an hour/ 60 minutes = \$1.59 per minute

Windshield time cost will be calculated by the evaluation team as follows. \$1.59 per minute x round-trip miles from 630 NW 2 Street, Hallandale Florida, 33009, to location of disposal per MapQuest.

What is the evaluation committee responsibilities during evaluation of the CBP:

The evaluation committee appointed to review proposals is to grant the assigned points stated in the evaluation criteria grid to those firms that best meets the CBP for each project.

What will the evaluation committee be looking for when reviewing the CBP:

The evaluation committee appointed to review proposals will be looking for written substantive, detailed information that addresses the two (2) main elements that apply to CBP, as detailed below.

CBP elements:

The CBP is composed of two (2) main elements:

- 1) Workforce Utilization
- 2) Hallandale Beach Vendor Utilization

1) Workforce Utilization:

The successful CBP Plan must detail **how** the firm will maximize the utilization of Hallandale Beach Residents as a part of the project.

The plan should include:

- What specific actions steps will be taken to recruit and or train residents.
- How will the firm mobilize in the community to be successful in accomplishing the CBP.
- The evaluation committee will give firms greater emphasis to workforce utilization.

2) Hallandale Beach Vendor Utilization:

A successful CBP Plan must detail what incentives and/or business practice the firm is willing to put in place to maximize the utilization of Hallandale Beach Vendors.

Example:

*The contractor will host training for local subs to build capacity
The contractor will leverage relationships to assist in bid bond attainment
The contractor will provide local vendor preference regarding bid submittal*

As successful response must include a percentage commitment towards CBP activities. This commitment can be an overall percentage of the project cost.

Example:

ABC and Associates commits to a 30% community benefit plan commitment with a goal of 60% of the aforementioned commitment being dedicated to workforce utilization.

* The City reserves the right to award higher points than stated below and such would be provided in the solicitation evaluation criteria.

The percentage of CBP stipulated by the firm in their proposal will be evaluated and the following points will be granted based on the Total project % of the total amount of project work pledged for CBP:

100%- 50% of total project work to be pledged to be for CBP =	10 points *
49% - 20% of total project work to be pledged to be for CBP =	5 points *
19% to less than 5% of total project work to be pledged for CBP =	2.5 points *

What is the difference between Local Vendor Preference (LVP) and CBP:

The Local Vendor Preference, as explained below, is granted if the appropriate and complete submission of the documents requested, as required by the specific Tier of LVP, is provided by the proposer with their proposal. The Procurement Department makes the determination, upon review of the paperwork/documents submitted by the requesting firm(s) for the applicable tier of LVP. In addition to the paper work/documentation that must be provided with the proposal, the proposer must clearly specify the information required as Exhibit C with the following information:

- a) The Tier applicability being required.
- b) The name of the company that meets the Tier applicability.
- c) Copy of the forms required to apply for the specific Tier preference.
- d) The percentage (%) of the total project cost which will be provided and performed by the Local Vendor whose name is provided for letter b above.

The evaluation committee grants the LVP based on the review made by the Procurement Department of the correct submission of information, as well as, the correct % of project work to be granted per Tier definition of LVP.

15. Local City of Hallandale Beach Vendor Preference (LVP):

Firms please note that the Procurement Department will grant the Local Vendor Preference to the proposer that identifies local vendors that will be utilized as vendors, contractors or subcontractors. The proposer must delineate for each the specific elements of work each local vendor will be responsible for performing and the dollar value as a percentage of the total contract value.

When evaluation points are used to evaluate through a solicitation, and when a non-local business is the highest ranked proposer, and the ranking of a local firm is within 10% of the total 100 ranking points, then the City may elect to negotiate with the local firm first.

A proposer may count towards its local vendor preference for Tier 1, Tier 2 and Tier 3, the fee or commissions charged for providing direct labor or a bona fide service, such as professional, technical consultant or managerial services.

Per Procurement Code, Section 23-5, Award of Contract and the applicability of Local City of Hallandale Beach Vendor Preference for Contracts awarded pursuant to the Consultants Competitive Negotiation Act (CCNA) the percentages reflect the amount of total project work, assigned to the Tier 1, Tier 2 or Tier 3 local vendor. In the event CONTRACTOR is permitted pursuant to this Agreement to utilize subcontractors to perform any services required by this Agreement, CONTRACTOR agrees to require such subcontractors, by written contract, to comply with the provisions of this section to the same extent as CONTRACTOR.

8.9 **MATERIALITY AND WAIVER OF BREACH**

CITY and CONTRACTOR agree that each requirement, duty, and obligation set forth herein was bargained for at arms-length and is agreed to by the parties in exchange for quid pro quo, that each is substantial and important to the formation of this Agreement and that each is, therefore, a material term hereof.

CITY's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

8.10 **COMPLIANCE WITH LAWS**

CONTRACTOR shall comply with all applicable federal, state, and local laws, codes, ordinances, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

8.11 **SEVERANCE**

In the event a portion of this Agreement is found by a court of competent jurisdiction to be invalid, the remaining provisions shall continue to be effective unless CITY or CONTRACTOR elects to terminate this Agreement. An election to terminate this Agreement based upon this provision shall be made within seven (7) days after the finding by the court becomes final.

8.12 **JOINT PREPARATION**

Each party and its counsel have participated fully in the review and revision of this Agreement and acknowledge that the preparation of this Agreement has been their joint effort. The language agreed to expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other. The language in this Agreement shall be interpreted as to its fair meaning and not strictly for or against any party.

8.13 **PRIORITY OF PROVISIONS**

If there is a conflict or inconsistency between any term, statement, requirement, or provision of any exhibit attached hereto, any document or events referred to herein, or any document incorporated into this Agreement by reference and a term, statement, requirement, or provision of Articles 1 through 8 of this Agreement, the term, statement, requirement, or provision contained in Articles 1 through 8 shall prevail and be given effect.

8.14 **JURISDICTION, VENUE, WAIVER OF JURY TRIAL**

This Agreement shall be interpreted and construed in accordance with and governed by the laws of the state of Florida. All parties agree and accept that jurisdiction of any controversies or legal problems arising out of this Agreement, and any action involving the enforcement or interpretation of any rights hereunder, shall be exclusively in the state courts of the Seventeenth Judicial Circuit in Broward County, Florida, and venue for litigation arising out of this Agreement shall be exclusively in such state courts, forsaking any other jurisdiction which either party may claim by virtue of its residency or other jurisdictional device. BY ENTERING INTO THIS AGREEMENT, CONTRACTOR AND CITY HEREBY EXPRESSLY WAIVE ANY RIGHTS EITHER PARTY MAY HAVE TO A TRIAL BY JURY OF ANY CIVIL LITIGATION RELATED TO THIS AGREEMENT.

Nothing in this Agreement is intended to serve as a waiver of sovereign immunity, or of any other immunity, defense, or privilege enjoyed by the City pursuant to Section 768.28 Florida Statutes.

8.15 **AMENDMENTS**

No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by the CITY and CONTRACTOR or others delegated authority to or otherwise authorized to execute same on their behalf.

8.16 **PRIOR AGREEMENTS**

This document represents the final and complete understanding of the parties and incorporates or supersedes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein. The parties agree that there is no commitment, agreement,

or understanding concerning the subject matter of this Agreement that is not contained in this written document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representation or agreement, whether oral or written.

8.17 **PAYABLE INTEREST**

8.17.1. Payment of Interest. CITY shall not be liable for interest for any reason, whether as prejudgment interest or for any other purpose, and in furtherance thereof CONTRACTOR waives, rejects, disclaims and surrenders any and all entitlement it has or may have to receive interest in connection with a dispute or claim based on or related to this Agreement.

8.17.2. Rate of Interest. In any instance where the prohibition or limitations of Section 8.17.1 are determined to be invalid or unenforceable, the annual rate of interest payable by CITY under this Agreement, whether as prejudgment interest or for any other purpose, shall be .025 percent simple interest (uncompounded).
